3 FULLY RESPONSIBLE	4 OWNS ALL	5 EVERYONE	6 ALWAYS	7 MOTION SOURCE	8 TRUTH	9 FAITH	10 I KNOW
I have full responsibility and I act freely upon it.	I may own it but it's theirs, too.	I am an individual as I please.	The future is endlessly beautiful.	I start and stop any motion at will.	I can make any good thing real.	I trust on all dynamics and act that way.	I know and I use what I know.
					Builds constructive future reality and acts to make it truth.		
I'll be responsible for it.	I wouldn't mind owning some things.	I like my individuality.	I can put so much into the future.	I control and use motion.	Future reality is good.	I trust myself.	I understand.
I can change at will.					Constructive, imaginative goals to enthuse others.	I can straighten out what I can't trust.	
Things aren't serious.	I enjoy possessions.	I'm myself and I'll make the best of it.	The future holds so much.	I adjust myself as needed.	I like reality most always.	Things can be trusted most of the time.	I can understand.
I don't mind responsibility.				I can endure it.	Present reality can be endured.		I could understand.
Maybe it's serious.	Possessions are often troublesome.	I've got to be myself somehow.	The future can be faced, barely.	I'll stop it if it threatens me and hurl it back.	Reality is a threat.	You can't trust things.	If I find out I'll . . .
You'd better take responsibility SERIOUSLY.	I own in spite of them.					I hate people. I'm too good for them.	I only want to know enough to destroy.
You're responsible!	It's MINE! I OWN people and destroy material.	I'm somebody I hate whatever threatens me.	The present is bad.	I have to stop motion, I'll control people or die.	All reality is perverted. Gossip.		I'm trying not to know but . . .
How serious things are!	I'm afraid I'll lose it.	Maybe I'm not even myself.	There may be no future or present.	WAITING	It better not be real. Lies are best.	Life is threatening. I'll betray.	Gullible, credulous about fearful things.
